

Episode01

アメリカに出発！

物語本文

It was Ken's first time to fly, and he was not enjoying it.
He felt sick because the plane was moving up and down.
He closed his eyes. Maybe he could sleep all the way to New York.
But the situation was about to change.
Suddenly, the plane had some engine trouble.
The captain made an announcement.
"Attention, passengers! This is your captain speaking.
We will make an emergency landing in Alaska."
Alaska?
Ken didn't know where Alaska was.
"Don't worry," his father said to him. "We'll be OK."
As the plane landed, Ken looked out the window.
The ground was white with snow.
